

Position: Civil Engineer

Job Status: Full-Time

Brief Description:

Ideal candidate is proficient in all aspects of civil design, drafting (Civil 3D), construction inspection, and specification writing. Must thrive in a small company environment, which requires a well-rounded skill set and the desire to explore new and innovative designs. Candidate should be able to both design and oversee implementation of projects independently and work collaboratively with large teams. Will have the opportunity to work on a range of innovative projects of varying scale (50k to 5MM) across the U.S. and Canada.

Education/Experience Requirements:

- Professional registration in MN or ability to obtain within 1 year
- Minimum of 5-years related professional experience
- BS in civil engineering or related engineering field
- Proficient with CAD (Civil 3D) and plan assembly
- Proficient with preparation of bidding & contract documents and technical specifications
- Experience working in a consulting environment
- Passion and experience in one or more of the following industries
 - *Water Resources*
 - *Agricultural BMPs*
 - *Municipal*
 - *Site Development*
- Surveying experience and credentials a plus
- Must possess a valid driver's license and be able to provide own means of reliable transportation for occasional day trips
- Ability to walk and climb over terrain and carry, lift, or pull equipment and materials weighing up to 40 pounds

Location: Oakdale, MN

To Apply: Qualified candidates should e-mail a letter of interest and résumé (including 3 references with current contact information) to Susan Nelson (snelson@eorinc.com). Please visit our website at www.eorinc.com for further information on our company, services, and projects.
